

Super Smart Ball Bushing™ Bearing's Advantages

Load Capacity

The Super Smart Ball Bushing™ bearing provides twice the load capacity of the industry standard Thomson Super Ball Bushing™ and six times the load capacity of conventional linear bearings.

Travel Life

The Super Smart Ball Bushing™ bearing provides eight times the travel life of the industry standard Thomson Super Ball Bushing™ bearing and 216 times the travel life of conventional linear bearings.

SELECTION CHART

Type	Configuration		Load Capacity Range (lb)	Size and Availability												
	Single	Twin		3/16	1/4	3/8	1/2	5/8	3/4	1	1-1/4	1-1/2	2	2-1/2	3	4
